

OUTDOOR Campus

Out of School Outdoor Education Programs

The Outdoor Campus is offering programming for school age students (2nd-8th) with an adult. These programs are designed to help supplement learning and get students outside during distance learning days and for homeschool families. Any school age(2nd-8th) student with and adult can register to join. Programs run roughly one hour and will be outside as much as possible. Registration is limited to 15 total people (students and adults). *Bring a water bottle and dress to be outside for the activities.
