

# You want a brighter, happier tomorrow for your girl? Same.

Girl Scouts isn't just a moment in her life, it's a Movement dedicated to building girls of courage, confidence, and character who make the world a better place. For more than 100 years, we've given girls the tools to lead, break barriers, and create positive change.

**We're here to support:**

## Her Dreams

**Girls love Girl Scouts** because it's where they call the shots. Right now, Girl Scouts are learning about robots, hiking, painting murals, feeding the hungry, and even writing laws to change the world.

**If she can dream it, we'll help her do it!**

## Her Growth

This is where **your girl can relax**, knowing she's accepted for exactly who she is today and all she can be tomorrow. At Girl Scouts we don't focus on perfection, only on her potential.

**We focus on her potential, not perfection.**

## Her Success

With her group (called a troop) of Girl Scout sisters by her side, your girl will reach farther, work harder, and bounce back faster.

**Get ready to see her shine like never before.**

**Best of all, this is a journey you take with your girl and there's a place for the entire family.**
