

# OUTDOOR Campus

## Out of School Outdoor Education Programs

The Outdoor Campus is offering programming for school age students (2nd-8th) with an adult. These programs are designed to help supplement learning and get students outside during distance learning days. Any school age student with an adult can register to join. Programs run about one hour and will be outside as much as possible. Registration is limited to 15 total people (students and adults). \*Masks are highly encouraged.
