

## Band 1

**Course Description:** Students will continue to rehearse, create, and perform music. They will further their ability to make outside connections to the music and explore how to respond to the art form. They will continue to develop mastery on their instruments as solo performers as well as in small and large ensembles. Through band, students will gain skills in leadership, collaboration, creative thinking, and problem solving.

**Attendance:** Students are required to be in school every day. Students are responsible for communicating with their teachers to make up missed learning.

**Essential Skills:**

3. Creating	4. Connecting

**Course Expectations:** Although not everything is graded, everything is important. In order to demonstrate growth and learning, students will need to:

2. Use morning time and the teacher to seek help outside of class when needed.
3. Complete all assessments within teacher timelines.
4. Students must have their instrument and other materials in rehearsal.
