Students will explore ethics and inclusion while engaging in projects and activities that will help them develop advanced levels of reading, writing, speaking, and listening skills.

Attendance: Students are required to be in school every day. Students are responsible for communicating with their teachers to make-up missed learning.

Because of the importance of frequent, sustained reading to a student's Language Arts skills, all English 12 students are required to read from a self-selected book during each class. Students are instructed to select a book that is appropriate to their age and reading level. We encourage you to have conversations with your students about what book they are currently reading.

Students will have access to the Central High School Library to select their independent reading books. Attached is the link to the Central High School Library catalog: [Library Title Report](#)
