Evidence Based Grading

Final grades in this course will be determined using Evidence Based Grading (EBG). EBG determines grades that reflect what students know, understand, and can do.

Purpose Statement: *The purpose of evidence based grading is to provide students with clear learning outcomes and instruction, collaborative feedback, grades that reflect proficiency and growth.*

Course Description: A thematic-structured curriculum designed for the highly-able and motivated student; identify literary techniques and begin to analyze their use in various genres; broaden spoken and written vocabulary; apply literary techniques and composition skills to developing thematic projects; reinforce basic mechanics, usage; and grammar; practice paragraph development and apply to essay writing; develop critical thinking skills and focus on higher level thinking skills; integrate technology into learning.

Attendance: Students are required to be in school every day. Students are responsible for communicating with their teachers to make up for missed learning.

Essential Skills: Writing, Speaking/Listening, Reading

Course Expectations: Although not everything is graded, everything is important. In order to demonstrate growth and learning, students will need to:

1. Participate in class activities (take notes, work in a group, complete in class tasks, ask questions) without distractions (cell phones, games, etc.)
2. Use morning time and the teacher to seek help outside of class when needed.
3. Complete all assessments within teacher timelines.
4. Follow Cobbler expectations.

Grading

Learning (Practice) Includes instructional activities in and outside of class and are not used in grade determination. Follows Evidence Based Grading practices.

Assessment (Evidence) May be collected on quizzes, labs, learning checks, tests, speeches, performances, and projects.
