

Capstone

Course Description: Preparing for success after high school graduation is about developing skills that will help you succeed in college, career, and life. This course provides opportunities both in and out of the classroom to develop and apply career skills. In this course you will analyze personal aptitudes and abilities, apply career development skills, complete a youth internship/job shadow, and develop a postsecondary plan. Transportation will be the responsibility of the student.

Attendance: Students are required to be in school every day. Students are responsible for communicating with their teachers to make up missed learning.

Essential Skills: 1. Students will evaluate career and personal attributes to develop a professional work ethic.

2. Students will complete on-the-job training and occupational-related tasks.

3. Students will demonstrate a final product of the apprenticeship experience.

4. Students will create a postsecondary plan.

Course Expectations: Although not everything is graded, everything is important. In order to demonstrate growth and learning, students will need to:

1. Participate in class activities (take notes, work in a group, complete in class tasks, ask questions) without distractions (cell phones, games, etc.)
2. Use morning time and the teacher to seek help outside of class when needed.
3. Complete all assessments within teacher timelines.
4. Meet with Mr. Kambestad once a week - in class and/or scheduled meeting. A journal may be used in place of this.
