 - Connecting: introductory information, lessons, examples, worksheets, history & vocabulary
 - Creating: writing, planning, rehearsing, teamwork
 - Performing: workshops, performances, projects
 - Responding: discussions, quizzes, tests
- Theatre is a **collaborative effort**.
 - It takes *many people working together* to make theatre successful. Onstage, backstage and FOH.
- The drama room and the theatre department are a **safe haven** for all who enter.
 - We **accept everyone** and **respect his or her differences**.
- This class will be **fun and challenging**.
 - My expectations of you as a theatre student are higher than in Drama 1.

Attendance: Students are required to be in school every day. Students are responsible for communicating with their teachers to make up missed learning.

Essential Skills: Participate, Collaborate, Communicate, Create.

Course Expectations: Although not everything is graded, everything is important. In order to demonstrate growth and learning, students will need to:

1. Participate in class activities (take notes, work in a group, complete in class tasks, ask questions) without distractions (cell phones, games, etc.)
2. Use morning time and teacher to seek help outside of class when needed.
3. Complete all assessments (or rehearsals and performances) within teacher timelines.

4. Theatre, by definition, cannot exist without the experience of a live audience. Your participation in this class is essential to this live experience. Demonstrating these skills to a captive audience is a crucial piece of evidence in the successful completion of this course and the earning of a grade.
