

Course Description: Orchestra 1

Attendance: Students are required to be in school every day. Students are responsible for communicating with their teachers to make up missed learning.

Course Expectations: Although not everything is graded, everything is important. In order to demonstrate growth and learning, students will need to:

1. Participate in class activities (take notes, work in a group, complete in class tasks, ask questions) without distractions (cell phones, games, etc.)
2. Use morning time and the teacher to seek help outside of class when needed.
3. Complete all assessments within teacher timelines.
4. Students must have their instruments, sheet music, a pencil, and other accessories in class every day.
5. Students will actively engage in rehearsal.
6. Students will be present for all concerts in which their ensemble is performing.

Learning Outcomes: Students will continue to develop music understanding and performance skills in individual and ensemble settings. They will continue developing knowledge of articulations, rhythms, and pitches, and how these elements are utilized throughout music. We will also explore cultural and historical contexts of music, as well as the theory and science behind it.
