

Sheltered ELA Level 1

Course Description: This English Language Arts course is designed for multilingual learners with a limited command of the English language. This course will be taught by a dually-endorsed English as a New Language and English Language Arts teacher. Students will receive English Language Arts content with supports including scaffolding, assistive technology, and - if the student and teacher speak the same language - bilingual methods.

This course will focus heavily on speaking and writing in academic contexts, with special emphasis placed on developing grammar and vocabulary.

Students in this course will generally be recent immigrants with a composite WIDA English proficiency score of 1.0 - 2.5. Students enrolled in this class should receive an SRI score between 0-500 if tested in English.

This course is intended to be taken concurrently with the English Learners Newcomer elective, although students with a greater mastery of the English language may take only this course.

Materials will primarily be drawn from the ELLii Beginner and Intermediate categories, ReadWorks and CommonLit materials with a Lexile score of up to 500, and other level-appropriate reading materials purchased by the district.

Generally, students in this course will be placed into a 'cohort' that will take their core math, science, and social studies courses as a group to ensure that they get adequate support from the EL teacher.

Attendance: Students are required to be in school every day. Students are responsible for communicating with their teachers to make up for missed learning.
