

BOARD OF EDUCATION WRAP UP

December 5, 2023

TeleTeachers Agreement Approved

TeleTeachers is a teaching platform, like the eLuma program being used for Speech Language IEP (Individual Education Plan) services, to where students are taught virtually by a South Dakota Certified Special Education Teacher. The students, with parent approval, will receive their services virtually in the learning center classroom while the RCAS special education teacher and/or paraeducator is working with another group in the same area. This will provide the necessary supervision and support for the virtual teacher and students. TeleTeachers will also be trained to use our materials and our processes for IEP paperwork.

Sharing the Success

Learning A to Z Challenge - Jamie Amundsen, Grandview Elementary

National Certified School Nurse - Jill Wilgers

Proposed Boundary Changes

At this meeting, the Rapid City Board of Education was provided information on a proposed boundary change. Please use the link below to view the information items presented that will go for a vote on December 19, 2023.

[INFORMATION ITEM 15 A](#)

The next Board of Education meeting will be at the RCEC building starting at 5:30 PM on December 19th in Room 202, with overflow in Room 222. If you want to speak during the open forum, you must turn in your blue sheet before 5:30 PM.
