Suggested E-learning Schedule

Level 3

Many of Valley View's E-Learning activities will be asynchronous. This will allow families to complete work when it is convenient for them. Below is a suggested schedule of learning throughout the day. Some students may get the learning activities done in less time, and some may take more time. Teachers will hold daily office hours to connect with and help students. In addition, any direct instruction will be recorded for families to access when needed.
