SKYWARD FAMILY ACCESS: This is where registration and online forms are, among other things such student info, messages, grades, lunch account balances, etc.

To sign up or log in, visit <https://rcas.org/parents/parent-resources/>

- To set up food service payments, you will need your child's "Other ID", which can be found under Student Info in your Family Access account. You can make one-time payments to Food Service or set up recurring payments. This is safer and more efficient than sending money to school with your child!
- 2021-2022 School Year – the USDA is once again funding **FREE breakfast and lunch for ALL students** throughout the 2021-2022 school year. Milk is included with meals. Milk purchased alone for home-brought lunch is \$.55. Funds can be added through Family Access as directed above.

CLASS DOJO: ** IMPORTANT – this is the primary way our teachers will communicate with you about your child, so please make sure you are able to download and use the Class Dojo app. ** You can log in to track the points your child earns for positive behavior, plus stay updated with your class news, view photos uploaded by your child's teacher, and send/receive messages directly between you and your child's teacher. Ask them for an invite code if you haven't already received one!
