

Dear Parents/Guardians of Distance Learners:

The registration process for high school is very important, as it determines your child's schedule and the master schedule for the 2021-2022 school year. Since your child is a distance learner, we are including instructions and necessary information for distance learners to register from home for the 2021-2022 school year.

We have prepared an informational registration video for the class of 2025, 2024, 2023, and 2022 that will provide valuable information. Please watch the short video clip and communicate with your child about his/her 2021-2022 course selections. In addition to the video, we have prepared a registration course selection sheet (attached) that students will complete. Finally, we have included an instructional sheet and video to show you how to enter your course selections in the career tab on Skyward.

Once you enter the course selections in Skyward, please email your completed worksheet to Jennivere.Dragoo@k12.sd.us. We are hopeful you will be able to successfully enter the courses in Skyward; however, if you have issues, please let Mrs. Dragoo know when you email the completed course selection sheet. Even if you were able to successfully enter your courses in Skyward, Jennivere would like a copy of your course selection sheet.
