

## Recommendation Brag Sheet

Many colleges require students to provide a letter of recommendation with admission or scholarship applications. These institutions may ask your counselor for a recommendation. As counselors, we need a complete and an accurate account of your academic and extracurricular achievements. Your answers will help us gather the required information and complete the assessments and/or letter of recommendation.

Please answer the following questions with accuracy and honesty so that we may correctly represent you as a student and a scholar.

1. What are your goals for this year and beyond?
2. What extracurricular activity has been the most meaningful to you and why?
3. Is your high school record an accurate measure of your ability and potential? Why?
4. Describe any community/volunteer/job experiences that have significant importance (positive or less than positive).
5. List five adjectives that describe you and give examples of at least two (positive or less positive).
6. Describe what has been your greatest challenge in life thus far.
7. List any leadership positions or examples of leadership experiences you have demonstrated and be specific.
8. What are your strengths? How are you unlike other students? What makes you unique?

\*Please keep a copy for your records. You may want to provide this information to others that may be writing your recommendations.

\*Please type answers to these questions on a separate sheet.
