^{*} Graduation Requirements for the Rapid City Area School District Base Diploma are based on the successful completion of a minimum of twentytwo (22) units of credit per RCAS District Policy IKF for the graduating class of 2024 and beyond. The South Dakota Department of Education requires students to complete a personal learning plan documenting a minimum of 22 units of credit. The completion of this course planner is a mandatory state requirement for graduation and this document should be saved. Please turn this sheet in with your completed Course Selection Sheet(s).

Coursework listed in green are suggestions for students to complete during the specified grade level. Students on an accelerated path or students seeking additional academic support may select alternative coursework to complete this plan.
