Student expectations for Friday's E-learning and off-campus learning are also included here.</p>

PROMOTING PHYSICAL DISTANCING

- Student/Staff groupings will be as static as possible.
- Minimal mixing between groups is preferred.
- Nonessential visitors, volunteers, and activities involving other groups will be limited by appointment only.
- Signage throughout the building and daily announcements will encourage healthy hygiene and physical distancing.
- Floor tape placed for direction flow in high traffic areas.
- Lunchroom will have tables spread out and multiple areas to eat including outside (weather permitting).
- Classroom workspaces will have six feet separation where possible.
- Masks will be worn by students and staff as directed by district plan.

PHYSICAL WORKSPACE STAFF

[Back to
Home Page](#)

- Staff must practice routine cleaning and disinfection of frequently touched objects and surfaces such as workstations, keyboards, telephones, handrails, and doorknobs.
- Staff should avoid using other employees' phones, desks, offices, or other work tools and equipment, when possible. Clean and disinfect them before and after use desired.
- Maintain physical distancing, staying at least 6 feet from others.
- Staff breakroom chairs and tables must be placed 6 ft apart.
- Staff should not approach a coworker's workplace without being able to maintain 6 ft distance (i.e. stopping in front of someone's desk/cubicle).
- Staff should evaluate their own workspace and see if changes need to be made to allow for 6ft distance.

PHYSICAL WORKSPACE STAFF

- Consider removing personal items that may make it difficult to properly wipe down and clean your workspace.
- Use videoconferencing or teleconferencing when possible for work-related meetings and gatherings.
- Cancel, adjust, or postpone large work-related meetings or gatherings that can only occur in-person in accordance with state and local regulations and guidance.
- When videoconferencing or teleconferencing is not possible, hold meetings in open, well-ventilated spaces continuing to maintain 6 feet distance and wear cloth face coverings as directed by district.
- Use verbal announcements, signage, and visual cues to promote physical distancing.

PHYSICAL WORKSPACE STUDENTS

- Staff will practice routine cleaning and disinfection of frequently touched objects and surfaces such as workstations, keyboards, telephones, handrails, and doorknobs.
- Students will have their District assigned laptop and charging cord with them when attending on campus courses.
- Students should avoid using or touching other students' desks, supplies, or other work tools and equipment, when possible.
- Students will maintain physical distancing, staying at least 6 feet from others, when possible.
- Students should not approach another student's work space or teacher's work space without permission (i.e. stopping in front of someone's desk/cubicle).
- Students will adhere to verbal announcements, signage, and visual cues to promote physical distancing.
- Students will pick up their work area before they leave the classroom.

LIMIT SHARING

- Parents/Guardians are encouraged to label EVERYTHING with your child's name.
 - Students are encouraged to bring their own supplies (pencils, markers, colored pencils pens, etc.)
 - Students will be allowed to carry a backpack with supplies.
- Staff will limit use of supplies and equipment shared by groups of students. Supplies and equipment should be cleaned and disinfected, when possible, before another group uses the same items.
- Avoid sharing electronic devices, toys, books, and other games/learning aids.
- Avoid sharing masks, bags, lockers and water bottles with others.
- Students will be allowed to carry laptop/charging cord and individual classroom supplies in a backpack or drawstring bag to reduce number of locker visits and number of students in locker bays.

PROMOTE HEALTHY HYGIENE

- Students will learn and be encouraged to wash hands regularly, cover coughs and sneezes, etc.
- Handwashing times will be encourage as often as possible throughout the day
- Hand sanitizer bottles or dispensers, and cleaning wipes, will be stationed in all classrooms and high-traffic areas for regular students/staff use.
- Students and staff will use hand sanitizer when entering the classroom and cafeteria.
- Hand sanitation dispensers will be placed in high-traffic/community areas such as near main entries/office, cafeteria and multipurpose rooms.
- Tissues will be available for students/staff.
- The use of face coverings is required when physical distancing is not possible. District guidance will be followed.

HALLWAYS

- Masks will be highly encouraged in Level 1 and REQUIRED in Level 2
- Touchless water bottle fillers have been installed in all schools.
- Hand sanitation dispensers will be placed in high-traffic/community areas.
- Only one student released from classroom at a time for bathroom breaks.
- Students will be encouraged to exit the building by 3:15 PM and not congregate in groups.
- Students will be encouraged to use backpacks/drawstring bags to limit locker use.
- Walking on right of halls and limiting number of students in halls will be designed for operational practicality. Time spacing has been built in between lunches.
- Use verbal announcements, signage, and visual cues to promote physical distancing.
- Students will adhere to signs, tape marks, or other visual cues such as decals or colored tape placed 6 feet apart, to indicate where to stand/sit to maintain social distancing

BREAKFAST AND LUNCH

- Follow safe food handling procedures when handling, preparing, or serving food
- Clean cafeterias and high-touch surfaces throughout the school day
- Time spacing between grade level lunches provides distancing and cleaning opportunities
- Follow District PPE guidelines for staff and students
- Encourage physical distance among staff while preparing and serving food
- Encourage physical distance among students in serving and dining areas with marks on the floor and tables
- Implement alternative seating arrangements and/or locations to decrease the number of students dining together during each serving session
- Utilize signage designating entrances, encouraging physical distance, and directing traffic
- Implement touch less point-of-sale or disinfect keypad between uses
- Hand sanitizer station set up in service line for student to sanitize before and after meals

BUILDING ACCESS

- Limited visitor access (by appointment; official school business only)
- Visitors **REQUIRED** to wear face covering if entering the building. District guidance will be followed.
- Late Arrival: Guardian will bring student no further than entrance/vestibule
- Early Pick-up: Guardian will enter the vestibule and wait for student
- Parents will be buzzed in by Office staff.

ILL STUDENT PROTOCOL

- If a staff member observes any signs of illness in a student, they may send that student to the nurse's office
- Students with temperatures greater than 100.4 will be sent home
- All students with a temperature at or above 100.4 will be isolated until parent, guardian, or emergency contact can pickup, including bused students
 - SICK STUDENTS MUST BE PICKED UP AS SOON AS POSSIBLE AND WILL NOT BE SENT HOME ON THE BUS
- School Nurse/Staff will use personal protective equipment (PPE) while caring for the sick,
- Symptomatic student/staff must wear masks while in the isolation area.
- Health Services will work with SD Department of Health on contact tracing and notification of close contacts and other applicable student and staff groups.

COMPUTERS

- Students will be assigned a district computer laptop and charging cord
 - Students will take care of the technology they are issued
 - Students will be expected to transport computer/cord back and forth from home to school
 - Students will be issued a bag for their computer and charging cord
 - Labels will be issued to Focus teachers to place on students' computers and cords when distributing computers/cords
- Students will be expected to report any damage or technology issues to their FOCUS (Period 8) teacher as soon as possible
- Students will not be allowed to share computers
- Students are reminded that laptops are Rapid City Area Schools property and are for school use only.

CLASSROOMS

[Back to
Home Page](#)

- Staff/student masks are required when the 6ft social distancing requirement cannot be met.
- Student desks and/or tables will be spread apart to the greatest extent possible.
- Water bottles are highly encouraged. Please label with student name. Water fountains will be disabled but water bottle fillers will still be available.
- Hand sanitizer bottles or dispensers, and cleaning wipes, will be stationed in all classrooms and high-traffic areas for regular students/staff use.
- All classroom room doors should remain open during passing periods and should be opened/closed by teacher to minimize touch-points.
- Students will be required to enter and exit the building by their grade level assigned entry/exit ways
