Monday, February 20th – No School, Presidents Day

Tuesday, February 21st – Math Pilot Presentation at the PTA mtg 6pm

1st week of February: Report Cards mailed to Parents

Acts of Kindness:

Meadowbrook staff and students encourage and celebrate kindness year-round! Please remember to practice patience, kindness and understanding especially during student drop off and pick up times. The parking lots and road around the school are very busy. Crosswalk duty guards do their best to direct traffic and keep our littles safe. Your assistance will help!

Important information for Parents:

Attendance: Is your student going to be absent? Early pick up? Late for school? **Parents are asked to call the Office even if you notify the teacher. All attendance is recorded thru the Office! Lunches need to be ordered by 8:30am.** Office Phone #: 605-394-1821

Celebrations!! Please keep in mind when celebrating Birthdays, Holidays and Special Occasions; we have students with life threatening food allergies and food related health problems. **ONLY** food commercially prepared and packaged with an ingredient label are permitted. **NO food with nuts or peanuts, peanut and tree nut oils** are to be brought into the classrooms.

Bundle Up! It's that time of year, make sure your kiddo's are dressed warmly each day! With the snow, mittens, a hat and an extra pair of pants is important. They play in the snow and get wet! We are limited on what we have at school!

Lost and Found: If it's missing at your house, it's probably here! The Lost and Found has been moved down by the Gym, as always please enter through the Front Doors and check in to the office.

REMINDER: RCAS is conducting an Elementary Mathematics Pilot for newK-5 math materials. Presentation will be provided by our piloting teachers at the February 21st PTA meeting at 6pm. Samples of both sets of materials are available for parent review and feedback. The materials are available in the school front lobby until March 17th or at RCEC Rm. 222 from 3:30-5:30 on February 7. Please take a moment to stop in and take a look.

Per the attached flyer, online demos and the survey are available at <https://bit.ly/RCASElemMathAdoption>

Meadowbrook is now on facebook!!

Like & Follow us at Meadowbrook Elementary School, RCAS

Meadowbrook would like to extend a heartfelt **Thank You** to the following Junior Achievement volunteers:

Jacqueline Worth – Wells Fargo	Kurt Whitesell – Whitesell Financial Group
Nichole Martinez – KPMG	Kim Nooney – Black Hills Energy
Marne Jones O Black Hills Energy	Terri McLaws – Roy’s Westside Auto Body

We were excited to have Junior Achievement (JA) volunteers in our school once again! JA volunteers shared their knowledge with our students about careers, money, owning a business, and ethics. JA volunteers teach engaging and interactive lessons while sharing their own career journey. By sharing their personal and professional stories it allows students to start making a connection between their schoolwork and their future careers. We appreciate the time JA volunteers spend in the classroom making an impact on South Dakota’s future workforce! JA strives to empower students to achieve their dreams and seeks to instill hope for a promising future.
